

Horizon Science Academy is committed to public input and participation in school board meetings. Given the current stay at home order in Ohio, we are making available remote, online participation in order to promote the safety and health of our community. We will not have in-person public participation during this period due to the health and safety risks it poses. You can call into the meeting to provide public comment via Zoom. You can join the Zoom Meeting from a computer, mobile device, or tablet. The Zoom meeting information is below and provided on the school's website.
